

# How to Research 'A' level Subjects

---

- ✓ **Look on reputable websites. For example:**
  - a) Government website (Department of Education):  
<https://www.gov.uk/government/collections/gce-as-and-a-level-subject-content>
  - b) The CIFE website:  
<https://www.cife.org.uk/article/guide-individual-a-level-subjects/>
- ✓ **Look at a standard 'A' level textbook.**
- ✓ **Attend School Taster Lessons**
- ✓ **Look at the Sixth Form prospectus**
- ✓ **Talk to Subject teachers**
- ✓ **Talk to existing or ex-students who studied the subject**
- ✓ **Read about careers related to the subject. For example:**
  - a) Use the careers website eCLIPS (if the school has a license)
  - b) Visit the Official Graduates Website at:  
<https://www.prospects.ac.uk/careers-advice/what-can-i-do-with-my-degree>
  - c) Find free Online Courses related to the subject:  
<https://alison.com/career-guide>
- ✓ **Look on the appropriate examination body website as follows:**
  - a) <https://www.aqa.org.uk/>
  - b) <http://ccea.org.uk/>
  - c) <https://qualifications.pearson.com/en/home.html>
  - d) <https://www.ocr.org.uk/>
