THE SPIRES BACCALAUREATE

Dear Year 6 Students, Parents/Carers...

At Oxford Spires Academy, we strive every day to support you to be disciplined and resilient as you build your character and grow into a global citizen of the world. We have created this Year 6 Spires Bacculaureate as a project for you to work on whilst you are at home, so you can be awarded a special Bacculaureate badge when we return to school.

Even though we can't be together right now, we all belong to the Oxford Spires Academy community as students and staff, so the opportunities we have suggested will help you to continue to learn and grow and to feel part of our school community.

You can choose to complete the task alone or with your family. Depending on the task, parents/carers may wish to supervise for health and safety reasons.

What is The Spires Bacculaureate?

Who you are and how you present yourself to the world is as important as what you know about the world. We value the importance of what you do outside the classroom alongside what you do inside the classroom. Your habits will become your character, so creating good habits now is a great idea. In our academy, building character revolves around our Oxford Spires Academy values: **My best self, my best learning, my best within the community.**

We want you to establish a routine to help you through this period of time. A routine will keep you motivated and it will keep you feeling successful and happy. You will feel proud – when you look back on this part of your life – that you had the discipline and the resilience to persevere with your education and character development. We want to make sure you leave our academy not only with a great set of qualifications, but also with a sense of being a whole person who is developing into a fully-grown citizen. By working hard to achieve your Spires Bacculaureate badge, you will enjoy spending time completing activities with your families and experiencing the joy of a different kind of education.

How do I get The Spires Bacculaureate badge?

To earn The Spires Bacculaureate badge, all you need to do is complete **at least two tasks in each of the three categories AND the Writing Challenge.** Just fill in the date and ask your parent/carer to sign it for you once you have completed each task. We would be delighted if you would take photographs or film videos to share with your form tutors and subject teachers but you do need to do this. There will be special prizes for the best photos and videos, and for every student who completes every task in The Spires Bacculaureate.

Enjoy living the Oxford Spires Academy values and we hope to see you all soon.

My Best Self #BeKindOSA

TASKS

Make a phone call or video call to a relative or family friend.

I have all my equipment ready for September (see the Equipment Challenge on the page 7).

For 2 weeks do Joe Wickes PE (9am on YouTube— Monday, Wednesday, Saturday) and at least 5,000 steps of walking or jogging (on Tuesday, Thursday and Friday).

Do something kind for someone without them asking you to help.

My Best Learning

TASKS

Complete a creative project: a piece of artwork, a dance routine or learn the words of a song.

Take a picture of a book/magazine/newspaper/ blog you read over the summer and tell us what you loved about it.

Read as many books as you can over the summer and tick off all of the boxes on your competition bookmark.

Practice your 2 up to 12 times tables on Monday to Friday for at least 3 weeks over the summer holiday.

What does “francophone” mean? <https://www.youtube.com/watch?v=E3UWF6H05cw>

How many countries are there in the world where French is spoken as an official language? Name them. <https://www.youtube.com/watch?v=GRTfyaD1PEU>

Equipment challenge (sign off on page 3)

An appropriate school bag - to keep all your kit or equipment safe.

Pencil Case - you will need more than just a blue or black pen (please see the list below). The more specialized equipment includes a protractor, set of compasses with pencil leads or a short pencil. A scientific calculator is also a must— we prefer you to use a Casio fx-83GTX or fx-85GTX.

Casio calculators and geometry sets are available to buy in school.

Essential	Desirable
2 Pens (Black/Blue)	Coloured pens
1 Pencil	Highlighters
1 Rubber	Revision Flash Cards
1 30cm Ruler	Glue stick
1 Pencil Sharpener	
1 Pencil Case	
1 Scientific Calculator (see above)	
A School Bag	
1 Protractor	
1 Set of Compasses with pencil leads or a short pencil	
Coloured Pencils

Une las imágenes y las palabras:

• ¡Silencio!

• Escribid.

• Sentaos.

• Abrid los cuadernos.

• Sacad los bolígrafos.

• Levantaos.

• Recoged vuestras cosas.

• Repetid.

• Mirad.

• Escuchad.

• Levantad la mano.
