

Year 10

Cycle 2, Week 11: Assessment Week Schedule

How to read this assessment schedule

One each page you will see two columns; one for core subjects (English, maths, science) and another for option subjects.

All students will take their core subject assessments at the same time.

Options subjects will be assessed during one or both of the two lessons each week.

The assessments will be held during your normal timetabled lesson.

Students will be given a copy of the schedule and tutors will help them identify & highlight their assessments

FAQs

Will I take an assessment every lesson?

No, only those lessons shown on this schedule.

What will I be assessed on?

You will be assessed on how well you remember the knowledge listed in the Scholar's Guide and how well you can use that knowledge to answer questions and solve problems.

What happens if I am absent?

You will have an opportunity to take the assessment the next time you are in that lesson.

Why do the assessments start on Thursday, not Monday?

We have an INSET day on Thursday of Week 11 so assessments that would have been done on that day will be done on Thursday of Week 10 instead.

If I am not sure when my assessments are what should I do?

Please talk to your tutor who will help you understand your assessment schedule.

Are these assessments important? How much revision should I do?

These assessments are a really good way to see how much of the knowledge in the Scholar's Guide you have remembered and what you need to learn to improve. Use the Scholars' Guide to help you revise. Your assessment results will be included on your End of Cycle Report.
