Dear Parents, Carers and Students,

I am writing to let you know that with effect from September, I am stepping down from my role at Oxford Spires to take up a new post as Principal for the Creative Education Trust.

It has been my very great privilege to serve as the Principal of Oxford Spires Academy since 2017, and a huge pleasure to have worked within this vibrant and incredibly diverse school community. The school has become very dear to my heart and I will leave with a great many memories of staff, students, families and Local Governors - both past and present.

Oxford Spires Academy is a great school which is, I believe, in a very good position to go from strength to strength. We have a wonderful team of leaders ready to embark on the school's next and important chapter and I am confident the students, and the whole school community, will continue to thrive.

I would like to take this opportunity to thank you all for your support during my time here. The process to recruit my successor is already underway, and we will, of course, keep you informed as this progresses. In the meantime, I remain fully committed to the school and am very much looking forward to working alongside the new Principal following their appointment to ensure a smooth transition for the start of the next academic year.

Yours sincerely

Miss M Blake  
Principal
