

8th July 2021

Dear Parents and Carers,

Year 11 Prom - 11 August 2021

It is with great regret that I am writing to inform you that the Year 11 Prom can no longer go ahead. We have assessed the risks associated with the event, including the level of qualified staff supervision available and rising Covid cases in the area, and it has become evident that it is not possible to hold the event safely for the students.

I do appreciate the impact that cancelling Proms and other events has on students and families, and that many of you will already have begun to make special arrangements for this occasion. These kinds of events are important to our young people as a celebration of their time at school, and we know that this will be very disappointing news for our Year 11.

However, student safety must be our priority and therefore, on this occasion, unfortunately we have no alternative but to cancel the event.

Refunds will be issued via ParentPay in due course.

Thank you for your understanding.

Kind regards,

A Turner
Interim Education Director
